

PROFILE

Homoeopathy Dr. Islam Hamid

Over a number of years of working with Karachi Chamber of Commerce & Industry (KCCI), Provincial & Federal Governments of Pakistan, HPCA, GIZ, UNFPA, ILO & The World Bank. I have gained an in depth experience in Human Development, Health and Education specifically in South-West Asia. I have served as the focal person in several research works/surveys in HRD to help Provincial & Federal Government of Pakistan, ILO and The World Bank to help minimize poverty, as well as in analysis of Human capital and creation of knowledge and their efficient use in society. I am also closely affiliated with Industry, Business Community & the Government.

Presently, I am serving as an Adviser in KCCI in Health & Education, which assist both Govt. of Sindh and Pakistan in advising to improve education, health facilities and labor market training programs and also working for the BBS Human Resource Research & Development Board (BBSHRRDB), Benazir Bhutto Shaheed Youth Development Program (BBSYDP), Sindh Board of Technical Education (SBTE) & STEVTA as an Executive Member of Boards, CEO of Delta Pharma & Health Consultant at Baba-e-Homoeopathy Dr. Hamid's NHS^(since 1918) in Karachi & Lahore where monthly about 8000 patients are given Homoeopathic treatment.

In addition to the aforementioned, I am honored to be a part of founding Board member in establishing Sindh Technical Education & Vocational Training Authority (STEVTA), Friends of South-West Asia of the Global Fund (FOSWA) in India, Stop TB Partnership & Pakistan German Business Forum (PGBF).

Being a Convener for Health & Social sector (Private Public Partnership) appointed by Ministry of Population Welfare Govt. of Pakistan, I have gained a vast experience in arranging Population Welfare Programs in Pakistan with tremendous success. Besides Allopath's, first time in Pakistan, I include the vital role of Homoeopaths & Hakeem's in Population Welfare Programs with positive results.

I have more than a 30-year experience in Health Sector specially in Homoeopathic Medical Science.

Areas of specialization: Expert in service provider in Health Sector, Medical Tourism, Administrative Consultant in research oriented works in TVET, HRD, Alternativetreatment, Population Welfare, Education & Health and Private Public Partnership implementation & negotiation.

His Excellency the Prime Minister of Pakistan Yousuf Raza Gilani awarded me awardscontinuously 2 times in the year 2008 & 2009 to acknowledge my MERITORIOUS SERVICES in Health & Social Sector on the occasions of World Population Day.
